S5. Market items: Fishing and Housing. Fishing (fish symbol as token to place on Landscape); boat symbol as one-time investment to show that a player has the equipment for fishing (this item will be printed five times, i.e., 1 per player, regardless of the number of Fishing activities purchased during the game). Housing (three levels: level 1 = lowest quality house; level 2 = middle-class house; level 3 = best quality house).
